## ABOUT ME

---

**Myself, Rajnish Thakur .** As a student working from class 10th, I've gained over one and a half years of experience as a video editor and thumbnail designer. I'm well-versed in the latest video editing techniques and software, covering a wide range of projects from corporate videos to YouTube videos and music video projects. I'm highly creative, with a passion for creating unique and engaging content.

I'm an expert in video editing programs such as Adobe Premiere Pro and Adobe Photoshop for thumbnails. With a keen eye for detail and a great appreciation for quality control, I produce high-quality video outputs. Additionally, I'm highly adept at producing thumbnails and graphics for social media, websites, and other digital platforms.

Overall, my experience in video editing and thumbnail creation, combined with my dedication as a student, make me a great asset for any project. With my skills and knowledge, I'm confident I can help take any project to the next level.

thank you .
